

Harpoon Holder

Brand:

Price: \$107.80

Short Description

High quality stainless steel harpoon holders.

Description

These are quality made stainless steel harpoon holders.

The below size has been made to take a thicker pole so it is very strong and less likely to break under extreme pressure.

Size: 29mm inner diam, sleeve length 12cm, shaft length 30cm with point, and total length is 42cm.
